

Fenelon Twp. Review

January 2010

Principal's Message

Happy New Year to everyone! I hope that your holidays were filled with family-time, fun and some rest too!

I would like to thank all of the school and community members who worked to make our December here at FTPS one of celebration, community connection and teamwork. It was a special month with all of the extracurricular and community events.

As we move into the winter season, I would like to remind parents (and students!) to dress appropriately for the weather. Students spend some time outside before and after school as well as two twenty minute recesses. It can get cold when the winds pick up around our building and even at the bus stops. We do have a supply of hats and mitts from the Red Cross if students have forgotten theirs.

This is a great time of year to cuddle up with a good book. I hope you take a little time each week to read with your children –there is nothing more rewarding!

There are many exciting activities planned for this term here at FTPS, with the thanks going to our active staff members and our interested students.

Enjoy the snow!

Kindergarten Registration

Kindergarten Registration this year will take place January 25 - 29, 2010.

Smoothies

Stay tuned for the smoothies coming from school council - if you are able to volunteer on Thursday mornings, please contact the school.

Grade 8 Parents' Night

The meeting scheduled for the grade 8 parents' meeting on February 2nd will be held at Fenelon Falls Secondary School at 7:00 p.m.

Humane Society of Kawartha Lakes visits the Primary Division- Friday January 15th.

Students in the Primary Division, Kindergarten to Grade 3, will have the pleasure of meeting a local community helper from the Humane Society of Kawartha Lakes. Ms. Donna Ludgate, an Animal Care Worker for the shelter in Lindsay will be coming to our school on Friday January 15th to give two presentations on animal care and winter safety for your pets. Students will also learn about the Humane Society's role in our community and what we can do to help stray or injured animals. This is also an opportunity for the Grade 1's to meet a representative from the shelter, an organization they have chosen to support this year. The students in Mrs. Karklins' class showed great compassion by raising over \$60.00 in cash, Canadian Tire money, food and toy donations to make Christmas for the animals at the Humane Society a little brighter!

Be There....

Start the new year off by connecting with your child in meaningful ways during the everyday moments of life. Turn the ordinary into extraordinary.

School Parking Lot

Please be advised that there is to be no overnight parking in the school parking lot. Thank you for your co-operation.
