January 2019 Fenelon Township School News

Happy New Year!

Principal's Message:

Happy New Year and welcome back to all of our Fenelon Township families. We hope that the coming year brings you joy and happiness. Thanks to everyone who attended our Holiday Celebration on December 12th. And thanks to all who donated non-perishable food items. We raised 381 food items for our local food bank. Your generosity is greatly appreciated.

Now that the weather is finally getting colder...and snowier...we wanted to thank you for ensuring that your child(ren) come to school with warm winter outerwear. This is certainly the season of variable temperatures and conditions, so it's important that students come to school dressed accordingly with hats/mitts/snow pants/boots. This will ensure they are well prepared for outdoor learning in Phys. Ed. and for recesses.
